

# Halyna Malko

## Manual QA Trainee

### S U M M A R Y

Highly organized and motivated candidate currently taking a structured QA course and seeking an internship opportunity in Quality Assurance. In my current role, I consistently meet all deadlines and maintain a high level of responsibility. My work requires meticulous attention to detail to develop high-quality educational content. I am familiar with the fundamentals of Software Testing and eager to gain hands-on QA experience.

### E X P E R I E N C E

#### Instructional Content Developer

IT Company | Flex Reality  
May 2025 – Present

**Role:** Developing complete sets of learning materials for the AR Book project.

**Key achievement:** Successfully developed and delivered over 150 comprehensive lesson packages to date.

**Responsibilities:**

Full development of lesson packages, including lesson descriptions, detailed lesson notes, and presentation slides.

Created testing materials for each lesson, such as quizzes, homework assignments, and control testing materials.

Designed and implemented interactive learning games using Wordwall and LearningApps.

Filled and enriched digital textbooks with various types of interactive content.

Maintained a strict focus on content accuracy and consistency, ensuring the final product meets educational standards.

Consistently completed all assigned tasks within defined deadlines, demonstrating high organizational skills and responsibility.
